Description

The Temple Sloan Family Foundation Eagle Scout Scholarship is offered to Eagle Scouts from Occoneechee Council who wish to pursue a bachelor's degree from an accredited university/college and have demonstrated a need to receive financial assistance in order to pay for college. We strongly encourage applicants to apply to state supported schools and take advantage of the lower tuition they offer.

The North Carolina scholarship award is $12,000 per year.

* Applicants must provide proof of acceptance to an accredited four-year institution for undergraduate study in the pursuit of their first BA/BS degree. If acceptance to the school of choice has not yet been received prior to completing this scholarship application, acknowledgement of application from the school may be provided instead, for the purposes of this scholarship application.
